

Frequently asked questions

Q: What is WW?

A: WW is Weight Watchers reimagined. Our purpose is to inspire healthy habits for real life. For people, families, communities, the world, for everyone. No matter what your goal is—to lose weight, eat healthier, move more, develop a more positive mindset, or all of the above—we will bring you science-based solutions that fit into your life. WW welcomes everyone who seeks to be healthier, not just manage their weight.

Q: Why is Assurant partnering with WW?

A: Assurant has teamed up with WW to bring you a program that gives you real-life solutions to get healthier, all at a special price.

Q: Who can take advantage of the WW offerings?

A: All benefits eligible employees are eligible to participate. You do not need to be enrolled in the Assurant Health Plan to participate. Workshops (which used to be called meetings) offerings are not available in some areas in the U.S. To find out if the county you reside in is a non-participating area, please visit: wwfranchisecountylist.com.

To become a WW member, you must:

- Be at least 18 years old.
- Not be pregnant.
- Not have an active medical diagnosis of bulimia nervosa or anorexia nervosa.

Q: If I register for WW, will my membership and weight information be kept confidential?

A: Yes, it will. Although Assurant will receive information about the total membership's weight loss, it will not receive any individual or personally identifiable information.

Q: If I'm a current WW member can I receive the special pricing?

A: Of course! There's an option to link your current account through your company's registration process. If you have any issues, call WW at 1-866-237-6032 for assistance with getting your membership switched.
