Q: What is WW?

A: WW is Weight Watchers reimagined. Our purpose is to inspire healthy habits for real life. For people, families, communities, the world, for everyone. No matter what your goal is—to lose weight, eat healthier, move more, develop a more positive mindset, or all of the above—we will bring you science-based solutions that fit into your life. WW welcomes everyone who seeks to be healthier, not just manage their weight.

Q: If I register for WW, will my membership and weight information be kept confidential?
